I/We Authorize ANZ to provide my/our solicitors or appointed representatives or other financial institutions detailed in Section B with:

- the amount(s) required to payout the loan(s) and to provide a discharge for the properties held by ANZ.
- any information required about our accounts and Security held.

I/We agree:

- that ANZ will cancel all facilities linked to the loan account(s) [offset facilities, limits] including placing a hold over such loan account(s) if applicable.
- to pay all monies due to the Bank and fees applicable in accordance with the terms and conditions of the loan. We remain liable for any outstanding amount if any error is made in calculation of the amount repayable at settlement.
- that if more than one property secures my/our loan(s), the total loan amount may be reduced to a level acceptable by the Bank and acknowledge that if there are Guarantors over my/our loans that I/We will notify them and ask them to make separate requests to ANZ for the release of their obligations and security(s) held and ask them to agree to the discharge and/or variation I/We are now seeking. Guarantors will need to separately approach ANZ for the variation or release of their obligations and security(s) held.
- not to make any drawings (including loan redraws) against the account(s) being paid out 3 days prior to settlement. If facilities are continuing credit facilities, e.g. Equity Manager Account or Account(s) with limits, I/We will not draw on all remaining credit funds in the account(s) after settlement as these funds will be present to cover interest accruals to be charged at account interest charge cycle date. These accounts will not be closed unless a formal request is made via a branch.
- if it is deemed necessary to accept surplus funds to effect settlement, ANZ will not be responsible for depositing these funds to an appropriate account in my/our names being sole or in joint names if an account number has not been provided in Section G.
