HOME OWNERS ARE **SMOKIN' HOT!**

DO IT ANYWHERE, **YES, ANYWHERE.**

No need to lock the bedroom door when your partner comes over. Do whatever you want, wherever you want and whenever you want!

BESIDES, YOU'RE TOO OLD FOR THE BACK SEAT!

Be civilised while you get down like animals in your own home.

In 2007, an Idaho couple lost control of their car and crashed into a telephone pole after backseat sex caused the vehicle to become "tippy".

Luckily, the lovebirds escaped with only minor injuries.

No more embarrassing noise complaints
going through strata.

CHOOSE YOUR SEX PAD!

INSTALL A SWING OR A POLE.

Practice your dance routine in private among other “healthy” nocturnal proclivities.

NOBODY WILL FIND **YOUR TOY BOX.**

Avoid those embarrassing moments with
your parents or roommate.

Buy a house and put them wherever you
need quick access, if you know what I mean.

SEX OUTSIDE CAN BE DANGEROUS!

THE NEXT FEW SLIDES REVEAL THE REAL-LIFE HORROR.

A red and white striped beach umbrella is positioned on the right side of the image, set against a light blue sky and a sandy beach. The umbrella has a dark red pole and a canopy with alternating red and white stripes. The background consists of a light blue sky and a sandy beach with rolling dunes in shades of tan and yellow.

SEX ON THE BEACH

DIRTIER THAN YOU MAY THINK.

Scientists found that bacteria from the ocean like typhoid, hepatitis A and dysentery thrive in the beach sand. Ewww!

BEWARE OF YOGI AND BOO BOO.

In 1980, a Montana couple was found dead after being attacked by a bear. Authorities speculated that the grizzly was attracted by the scent of the couple having sex.

(NOT SO) FUN ON **THE HIGH SEAS.**

In 2013, it was alleged that the Queen of the North navigator was either having sex or in a heated argument with his former lover when the ferry hit an island and sank.
